The Catholic Difference (12 week series)

Monday Evenings 7:00PM - Christ the King, Topeka

If someone asks you, "Why are you Catholic?" would you know how to answer them? In *The Catholic Difference* we'll talk about why the Catholic Church is the one true Church founded by Our Lord, and how we can share the fullness of faith with our other Christian brothers and sisters. We'll also talk about common objections to Catholicism, and discover why God set up His family of believers in the Catholic way. Come and learn about the beauty of the Bride of Christ.

We will be using School of Faith's curriculum. The cost is \$20 per binder.

<p><i>No student will be turned away because of the inability to pay. If tuition poses a financial hardship, scholarships are available. Please call School of Faith at (913)310-0014 or email Cari@SchoolofFaith.com for additional information.</i></p>	Total number of courses @ \$100 per person	\$
